Goldwell Color is infused with hydrolysed wheat protein and panthenol to add strength and shine. The low ammonia content ensures hair maintains its integrity. With over 75 intermixable shades, Goldwell allows us to customize your color and achieve optimum color results.

PERMANENT WAVING & STRAIGHTENING

Includes cut and style.

SNIPS carries 8 different perms to custom fit your hair texture/type.

Perm	95
Spiral Perm	starting at 125

SNIPS offers Goldwell Definition Perms, enriched with Alpha Hydroxy Acids (AHA's) to deliver noticeably shiny, defined curls on normal, resistant or color treated hair. AHA's, together with FortiCurl Complex, create even, true-to rod sized waves.

Rusk Anti-Frizz, Anti-Curl™ or Thermal Straightening starting at 110 |

Rusk Anti-Curl™ & KeraShine™ conditioning builds strength, improves condition, and creates shine by altering the pattern of naturally curly or wavy hair. KeraShine™ Conditioning infuses the hair with Phytokeratin® (a blend of amino acids derived from plants) to transform frizzy, wavy or curly hair.
